HURRICANE MISSIONS WEEK IS HERE! All this week, The Hive will be releasing missions daily to help promote the song and film. Participate in contests, online tasks, and street team projects. Check out the [official site](#) for the daily missions.

### **'Hurricane' Screening and Q&A**

MARS will be hosting a screening and Q&A of HURRICANE: THE FILM at Montalban Theater in Los Angeles on February 21. Bartholomew Cubbins' directed film was banned or restricted to nighttime broadcast on many networks around the globe when it originally premiered in November and sparked discussions about censorship throughout the internet.

The Montalban screening will be the first time that fans and media will have an open forum to discuss the video directly with Leto.

**There will be tickets available at the door on the day of the event, first come first served!**

In the meantime we will be giving tickets away at random from [Twitter](#) and [Facebook](#).

If you are unable to attend the screening, you can submit questions to the Q&A on [twitter](#) with the hashtag

## Weekly Picks From the Band

### Book of the Week

*Deliverance* is a 1970 novel by James Dickey, his first. It was adapted into a 1972 film by director John Boorman. In 1998, the editors of the Modern Library selected *Deliverance* as #42 on their list of the 100 best 20th-Century novels. Time Magazine included the novel in its TIME 100 Best English-language Novels from 1923 to 2005. Narrated in the first person by one of the main characters, graphic artist Ed Gentry, the novel begins with four middle-aged men in a large Georgia city planning a weekend canoe trip down the fictional Cahulawassee River in the north Georgia wilderness.

### Movie of the Week

*Cat on a Hot Tin Roof* is a 1958 American drama film directed by Richard Brooks. It is based on the Pulitzer Prize-winning play of the same name by Tennessee Williams adapted by Richard Brooks and James Poe. One of the top-ten box office hits of 1958, the film stars Elizabeth Taylor, Paul Newman and Burl Ives. Although the film did not win any Academy Awards, it received several nominations including Best Picture, Best Actor (Newman), Best Actress (Taylor),

and Best Director (Brooks). The film also received nominations for Best Cinematography, Color (William Daniels), and Best Writing, Screenplay Based on Material from Another Medium.

## Album of the Week

*Happiness* is the debut studio album by English synthpop duo Hurts, released in the United Kingdom on 6 September 2010. It was preceded by the release of the singles "Better Than Love" on 23 May 2010 and "Wonderful Life" on 22 August 2010. The song "Devotion" is a duet with Australian recording artist Kylie Minogue. To promote the release of the album the band made the non-album song "Happiness" available as a free download via Amazon.co.uk on 1 August 2010. *Happiness* received mixed reviews from music critics.

## Website of the Week

Farm Sanctuary works to end cruelty to farm animals and promotes compassionate living through rescue, education and advocacy. We envision a world where the violence that animal agriculture inflicts upon people, animals and the environment has ended, and where instead we exercise values of compassion.
